ST. JOHN'S RECTOR ACCEPTS CALL TO WILMINGTON, DEL.

Rev. Robert Hatch to Become Dean of Cathedral There. Will Leave Arlington March First.

The Rev. Robert McConnell Hatch, rector of St. John's Episcopal Church, has accepted a call to serve as Dean of St. John's Cathedral in Wilmington, Delaware. He will begin his new work in March. His last Sunday at St. John's Church will be on February 26, when he will present a class for Confirmation.

Mr. Hatch came to St. John's Church in September, 1941, after serving for two years as curate at Trinity Church, Boston. He graduated from St. Mark's School in 1929, from Harvard in 1933, and from the Episcopal Theological School, Cambridge, in 1939. During his years as rector of St. John's Church he has been active in diocesan work, serving as chairman of the Youth Department and as a member of other departments. He has been president of the Arlington Ministers' Association since last June.

Mr. Hatch is the son of the Rev. and Mrs. William H. P. Hatch of Cambridge, and his wife, the former Helen Crocker Addison, is the daughter of the Rev. and Mrs. James Thayer Addison of New York City.

In announcing his decision, Mr. Hatch said that he had considered the call in terms of the work of the Church as a whole. He decided to accept the call "because the Cathedral in Wilmington represents a tremendous need and challenge." He also said: "Mrs. Hatch and I have been supremely happy in serving St. John's Church. As long as we live, this parish and all its people will be very close to our hearts."

Form Committee To Further Camp Fire Activities

On Friday morning a group of prominent Arlington citizens met in the directors' room of the Motonomy Trust Company to formulate plans for the organization of a local committee to further the program of the Camp Fire Girls in this community. The growth of the organization in Arlington, and the importance of this character-building program as a contributing factor in community life brought about this history-making event.

Mrs. Stanley R. Kingman has accepted the chairmanship of this local committee of 26 men and women for three months. Mrs. M. Norcross Stratton was appointed secretary for the same period. The full election of officers will be held in April to coincide with the annual meeting and election of officers of the Council for Greater Boston Camp Fire Girls, of which Arlington is an important district.

Miss Ethel M. Camp Fire Girls' Secretary for the meeting, spoke on the title and the committee, and home-centered, and the following resolution, expressing the purpose of the new committee, was unanimously passed: "It is the intent of this committee to organize to sponsor and promote the Camp Fire program for all girls in Arlington. It shall be known as the Arlington Camp Fire Girls Executive Committee."

Mrs. Clifford S. Brittain, at present the Arlington representative on the Greater Boston Council, was elected extension chairman, and was highly commended for the outstanding work accomplished during the past two years.

Lester W. Dearborn, president of the Greater Boston Council, congratulated the committee on their record growth, and pledged the full cooperation of the Greater Boston Council and Headquarters staff, Miss Sylvia E. Koese, Field Secretary for Greater Boston, described the three-fold program.

In a discussion of the "Past, Present, and Future Potentials of Camp Fire in Arlington," Miss Doris E. V. Foster, Executive of the Greater Boston Council, stated that Camp Fire has been organized in Arlington since 1919, with two short lapses because of lack of group leadership.

Arthur J. Mansfield, member of the Greater Boston Council of Camp Fire Girls, commended the committee and leaders on their work, and stated that no greater need exists today than the intelligent participation of adults in work with youth.

Present members of the Executive Committee are, in addition to the officers: Dr. Paul Sheldon, Chief of Police; Archie F. Bullock, Arthur J. Mansfield, Mrs. Lucinda F. Spofford, Dr. L. Curtis Foye, Rev. John Nicol, Mark, Mrs. Joseph F. Keefe, Mrs. Raymond Sheppard, Mrs. Joseph Peterson, Rev. R. T. Broeg, Mrs. Marcus F. Gray, Mrs. Anna Callahan, Mrs. Ralph D. Kinney, Miss Amy Winn, Harold Estabrook, Mrs. Terry Shuman, Mrs. Margaret O'Neill, Clifford Hall, Mrs. Philip Eyrik, Mrs. Herbert J. Cronin, Mrs. Elfred Cheney, Mrs. R. Willard Hunt, Mrs. Harold B. Wood, Mrs. Robert W. Murphy, Harold Cahalin, and Russell Wise.

—Mr. and Mrs. Fred Curry held open house New Year's Eve at their home on Hillside avenue. Many of the friends took advantage of the occasion to wish them a "Happy New Year."

—Mrs. Arthur J. Gilmour, formerly of Arlington, was called last week from her home in Lewiston, Maine, to Winchester by the death of her mother.

J. W. ANDERSON CANDIDATE FOR RE-ELECTION

J. Wilbert Anderson, on leave of absence from his office at Town Hall, is serving as storekeeper on an L.S.T. in the U. S. Navy. He has announced that he will seek re-election in March to the office of Town Treasurer and Collector of Taxes.

Mr. Anderson has been connected with the collector's office for more than fifteen years. He served as Collector of Taxes since 1939 when he was elected to this position upon the retirement of Edward A. Bailey.

In 1942 when the offices of Town Treasurer and Collector of Taxes were combined, Mr. Anderson was elected to that position without opposition. It is the good fortune of the Town to have Mr. Bailey serving as acting treasurer and collector while Mr. Anderson is serving with the armed forces.

Nomination papers will be circulated by Mr. Anderson's friends.

District Court Elected Officers

—The district court, district chairmen, and the guests turned out for the meeting over to Frank H. Lansing who acted as master of ceremonies. After the invocation by Rev. Joseph P. Donnelly, Council chairman, the gathering was entertained by the Wobelo Band of Pack 86.

Following a roast beef dinner, the following committee chairman reported on their activities for the year: George Greenlaw, camping; Lawrence L. Mantyla, advancement; Roger L. Warner, leadership training; Leon L. Donahoe, Cubbing; William H. Berg, finance; Paul J. Power, organization extension and waste paper salvage; Percival E. Richardson, commissioners; and Frank H. Lansing, publicity.

Joseph Peterson was elected chairman for another year; Malcolm Griffin, vice chairman; Commissioner. Members elected included Charles M. Bowker, Albert W. Wunderly, Arthur J. Mansfield, E. L. Hildreth, William C. Adams, Daniel J. Barry, William E. Knueffer, and Ernest W. Davis.

The guest speaker was George H. Rockwell, vice president of Cambridge Council, who gave an interesting discourse on "Scouting and World Peace."

Roscoe Perry's Sell Bartlett Avenue Home

Mr. and Mrs. Roscoe R. Perry have sold their home at 82 Bartlett avenue to Mr. and Mrs. Edward H. Hutchinson. It is feared that this sale means that the Perrys are leaving Arlington to be at their Westmoreland, N. H., home where they have for so long spent their summers. Both Mr. and Mrs. Perry have been active in town affairs for many years and the community can ill afford to lose such excellent citizens. They will be wished all possible happiness and success.

Jurors Drawn

The following jurors were drawn by the Selectmen at their Tuesday evening meeting: first criminal session in Cambridge, February 5, Addison W. Grant, 95 George street; first civil session in Cambridge, February 5, John F. Leahy, 11 Aberdeen road, and Albert W. Held, 32 Cornell street; second civil session in Cambridge, February 5, John E. RESIGNS FROM APPEAL BOARD

The Board of Selectmen on Tuesday evening accepted with regret the resignation of Thomas J. Donnelly of 63 Brattle street from the Board of Appeals. They have sent Mr. Donnelly a testimonial of their appreciation for his faithful and commendable services and have extended to him their best wishes for his future.

Mr. Donnelly has been a member of the board since its inception. His resignation following that of Frederic F. Low, last summer, leaves Alton F. Tupper the only original member of the board. Mr. Low was succeeded by Harold C. Knight. To fill the vacancy left by Mr. Donnelly's resignation, the Selectmen have appointed Earle C. Hopkins, 7 Randolph street, who has been serving as associate member of the board. Mr. Donnelly's term expires on March 31st.

Lt. E. Benshimol, Jr.
Home for Holidays

Lt. and Mrs. Ernest Benshimol, Jr., returned yesterday to Mitchell Field, N. Y., after spending the holidays with Benshimol's mother at 15 Shore road. The officer's many friends were given an opportunity to greet him at an open house the day before Christmas. They found him cheerful and very happy to be home. He is still on crutches and one of his legs is still in a cast but he hopes soon to be able to walk without crutches and to be moved from the Mitchell Field hospital where he has been since the first of October, to Pawling, N. Y., for further treatment. His injuries were received in a plane crash in India. Among the guests at the open house were two of the crew of the ship piloted by Lt. Robert Benshimol, who is missing in the Pacific.

Mrs. Benshimol went to Earl N. J. to spend New Year's with her husband, Lt. Ernest Benshimol, USN, who is stationed there.

C. Sherwood. Sales last week totaled \$395.40—\$175 in Bonds and \$220.40 in Stamps.

Returns Still Coming

Returns from the 1944 Sale of Christmas Seals in Arlington are still coming in. Miss Winifred Connell, Treasurer of the Arlington Seal Sale Committee, reported this week. The response to the Seal Sale this year was very encouraging, stated Miss Connell, but all returns have not been made yet. Every contribution strengthens the program of education, case-finding, and rehabilitation which are carried on to aid in the prevention and control of tuberculosis. It is hoped that those who have not yet sent in their contributions will do so soon, as this money can still be counted with the 1944 Seal Sale returns.

REV. L. L. BARBER RESIGNS; ANNOUNCES LARGE BEQUEST TO ORTHODOX CHURCH

Resignation to Take Effect October Fifteenth, Closing Pastorate of 15 Years. Miss Josephine Whitaker Wills \$42,380.47 to Church, Naming Mr. Barber Trustee.

Members of the congregation at the Sunday morning service at the Orthodox Congregational Church heard two important announcements made by the minister—Rev. Laurence L. Barber—his own resignation and the bequest to the church, by the will of Miss Josephine Whitaker of \$42,380.47. The resignation is to become effective October 15, 1945, shortly after he concludes fifteen years service in the church.

Mr. Barber distributed to the congregation a booklet containing two parts, the first descriptive of the giver of the bequest and of the bequest itself, the second, Mr. Barber's resignation.

Duty to Remain as Leader
"Several years ago," wrote Mr. Barber in the first part of this pamphlet, "she (Miss Whitaker) called me to her home on day and talked very frankly concerning the disposal of her estate. She was contemplating leaving a portion of her property for the benefit of the Church that she loved so much. However, she stated most clearly and emphatically that if she did this it would be under the specific condition that her Minister was to serve as her Executor-Trustee. This was at a time when he was seriously considering a change of pastorate. I was confronted by very important questions. My personal inclination was to resign the leadership of the Church, and yet my resignation then would have been too costly for this Church. At the time I had no idea as to the amount of her estate. Increasingly it became very clear that my first duty toward the Church was to remain as its leader until I could fulfill her wishes. So the decision was made, and for the past several years confidential knowl-

GOOD ADVICE

Tired though we may be of rationing, and disgusted because the O. P. A.'s Christmas gifts was the rescinding of some of our ration coupons, we must still realize that it is price ceilings that have kept food prices at a far lower level than they were in the last war and that it is rationing that has made it possible for food supplies to be shared with something like fairness.

Knowing these things we will gladly heed the advice of the Rationing Board—

"Start the New Year Right—Scotch the Gougers.
"Help Yourself, Help Your Neighbor, Help Your Country.
"Insist on paying only ceiling prices for what you buy. It keeps money in your pocket and helps hold prices down. And that helps everybody else.

"Ceiling prices were established for your benefit. It's up to you to see that nobody chisels you out of what's coming to you. If you let chiselers get away with anything, you have only yourself to blame.

"Ceiling prices on food items have been established for the sole purpose of controlling the cost of living. They are important because 40% of every dollar we spend goes for purchasing food. A few cents here, a penny there in overcharge, might not seem important but, added up, these small overcharges can easily up our cost of living 2 to 4%, or even more.

"How can we be certain that we will not be paying above ceiling prices?

Here's the answer:

"1. A wartime regulation requires that all food stores post official community ceiling price lists where customers can see them easily. Is a price ceiling list posted where you buy your food? If not, it's your job to remind your grocer of his failure to comply with the law. All you have to do is to phone your local OPA office.

"2. It is extremely important that everyone look for the posted ceiling price list before they start to shop. Don't be afraid to spend a few minutes studying these prices. AND DO IT WHEN THE OWNER OR MANAGER AND THE OTHER CUSTOMERS CAN SEE YOU DO IT! This puts the manager on notice that you are standing on your legal rights and gives him warning not to try to put anything over on you. It gives courage to timid customers who would hesitate to stand up for their rights if they did not have the feeling that it was the customary thing to do.

"We must do a real job on ceiling prices. We must make it our business to see that every violation is reported to the local Price Panel of the OPA immediately.

"Do not forget the government must depend upon consumers to help make price ceiling effective."

Lt. John Thoren, former professional golfer at Woburn and Woodland Country Clubs, is home on a furlough. He will return to Denver where he serves in the United States Army, on Friday.

Recently the Denver daily paper wrote up in detail his astounding round over the difficult Denver Country Club course which measures about 6500 yards, which he toured in 64 strokes. He played with the special writer of the Denver paper and also with Ellsworth Vines, who is now the Denver professional and was formerly amateur tennis champion of the United States. The 64 ties the record of the course.

Low scores are not new to Johnnie as he had to employ them to win open championships in Rhode Island, New Hampshire, Massachusetts and Berkshire. Only recently without any hobbis, playing in his smooth Army shoes, in company with David A. Wilcox and others, he scored a marvelous 67 at the Winchester Country Club.

Peirce School Holds Annual Xmas Party

The children of Peirce School gave their annual Christmas Festival recently in the school auditorium. A large audience was present on both days. Half the grades entertained on Tuesday morning, the other half on Wednesday afternoon.

The entertainment consisted of carol singing and toy orchestras. The children had rehearsed and memorized about 25 carols. A boy or girl was chosen from each grade to give the history and origin of each carol. The upper grades sang in choir-like manner, under the able leadership of the music director, Miss Dodge.

It was a splendid performance and thoroughly enjoyed by the audience.

Big.—Mr. Charles Gott this week laid on our table an egg, previously laid in the nest by one of his hens, which weighed three and three-fourths ounces and measured 7 3/4 inches by 6 1/4. We don't wonder the hen laid it.—It was too heavy to carry.

Confirmed.—Among the recent appointments, confirmed by the Senate is that of Mr. F. S. Fowle as Postmaster of Arlington.

Assembly.—The second of the series of assemblies by the Arlington Fire Department, came off at the hall of the Wm. Penn Hose, and was quite a success. The company danced the "old year out and the new year in."

The invisible but ever watchful sentinel of the skies has set his signal to mark the flight of the old year, and we, obeying it, change in our simpler calendar the terminal figure, which to means the ushering in of the new one. The success which has attended our enterprise in the past,—the more hopeful outlook, in regard to all matters of business, for the future, all tend to make happy the call and reply as we wish our readers, "A Happy New Year."

CHURCHES OF CHRIST, SCIENTIST

In The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, and in all of its branches, a Lesson-Sermon will be read on Sunday, January 7, on the subject, "God."

The Golden Text, "Look unto me, and be ye saved, all the ends of the earth: for I am God, and there is none else," is from Isaiah 45:22. Other Scriptural selections include, "For thus saith the Lord that created the heavens: God himself that formed the earth and made it; he that established it, he created it not in vain, he formed it to be inhabited: I am the Lord; and there is none else" (Isaiah 45:18).

Also included in the Lesson-Sermon will be the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "God is the creator of man, and the divine Principle of man remaining perfect, the divine idea or reflection, man, remains perfect. Man is the expression of God's being. If there ever was a moment when man did not express the divine perfection, then there was a moment when man did not express God, and consequently a time when Deity was unexpressed—that is, without entity" (p. 40).

IT'S TIME TO QUIT WISHFUL THINKING . . .

It's Time To Face Facts

At the first shock of war three years ago, everybody forgot self in the high resolve to win the war—to be worthy of our fighting men and women. Everybody "pulled together" no matter what the call—small or large.

Today our men are in mortal combat all over the world.

Our resources at home of men and materials are being reduced. This situation is likely to become worse as war needs become greater. The long, hard pull is here. The need for united co-operation; for steady, unrelenting application to the job ahead is greater than ever.

None of us can afford to be thoughtless in the days ahead. Many of the requests for co-operation are small in themselves—large when taken together.

TAKE THE MATTER OF WARTIME "ELEVATED" TRANSPORTATION

Continuous "El" transportation is essential if war workers, Navy and Army personnel are to reach their jobs on time. The "El" must also endeavor to operate the best service possible for you, the civilian.

Two years ago we asked you to do a simple thing—avoid riding the "El" between 5 and 6 p.m. in order to relieve congestion—to make room for essential riders. We asked companies and certain large groups of riders to "stagger" their hours of work and travel.

YOU SHOWED THAT CO-OPERATION WAS POSSIBLE

In response to the call, many thousands of you re-arranged your plans and the Elevated was able to carry on with your co-operation.

WHAT'S THE STORY TODAY?

Nine thousand more riders are entering the 12 downtown subway stations between 5 and 6 p.m. and are using the "El" during this big rush hour.

We've managed pretty well for three war winters to carry the 60,000 persons who have been using these 12 downtown stations between 5 and 6 p.m. But when rush hour figures get up to 69,000 as they have now, we've got to ask for some more of that co-operation the public gave us at the beginning of this war.

YOU DID THIS BEFORE— PLEASE DO IT AGAIN

At that time, you realized we were having great difficulty getting repair parts, let alone new cars, that we were losing personnel to the Armed Forces; that Elevated transportation was essential to the war effort. All that is still true today—only more so. While the "El" has a few more cars, it's short of operators to run them. In 1944 it was able to hire 300 but lost 500. Today the "El" is hiring all the operators it can get. Meanwhile, rush hour traffic is too heavy. Many more persons now have to depend on "El" transportation; the third year of war has "retired" many more automobiles than in '42 and '43. The period just ahead is the toughest of all the year. Up to now, Old Man Winter has been very lenient with us here in Boston. But in the next three months he may "hit below the belt" and that means extra work on "El" lines.

WE ASK YOUR HELP

You can help, as you did before, and as we know you will again. If you're a housewife or haven't a job in Boston, and if you can do so, please go home before the rush hour. If you're in a position to institute the "staggered hour" system of home-going in an office, store, or shop, by all means co-operate. If your business had a staggered hour system which is no longer in effect, please re-establish it.

Until this war is won, until repair parts, materials and equipment can be released for peacetime use, and until an adequate supply of manpower once again is available, remember the "El" must have the co-operation of all in order to perform its essential wartime transportation job.

IF YOU DON'T HAVE TO TRAVEL RUSH HOUR --- DON'T DO IT!

THERE'S MORE THAN ONE TRAIN IN THIS PICTURE!

Right at this time of year, when darkness comes early and stays late, the danger of accidents at grade crossings because of careless motorists increases sharply.

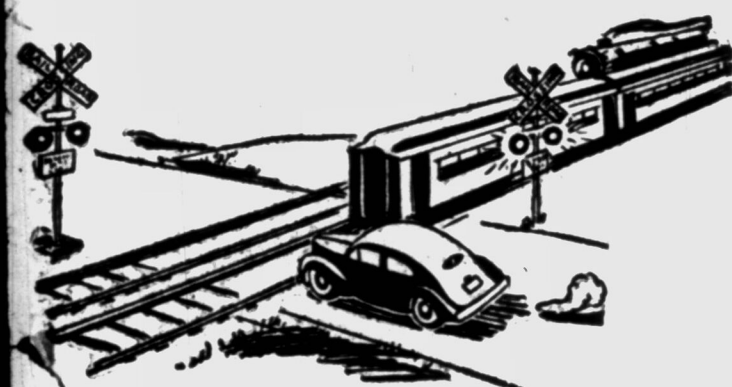

It's still true that no train ever chased a motorist up the street!

We ask you to please digest thoroughly the following information about grade crossing etiquette for motorists, and observe these safety rules — **always**. Remember, they were made to protect you. We want to help all our motoring friends to live longer.

THE DOUBLE RED FLASH MEANS STOP

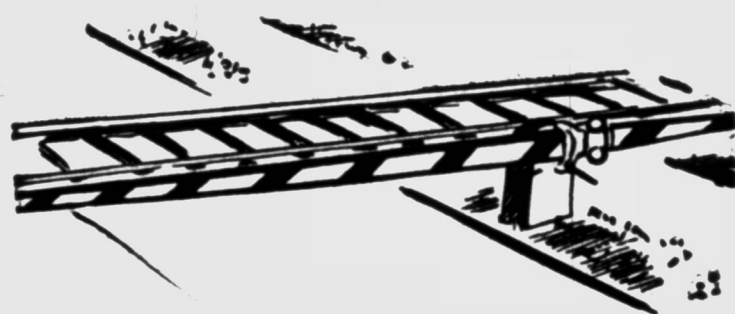

When you see a double red light flashing at a Boston and Maine grade crossing, STOP your car at least three car-lengths away from the tracks. And stay stopped. If the red light continues to flash after the train has passed — wait. Don't announce blithely to the occupants of your car — "That blankety-blank signal must be out of order," and then start over the tracks. You may be crushed — literally — to discover that the red lights were flashing because there was another train coming on the other track — the train in the picture you couldn't see.

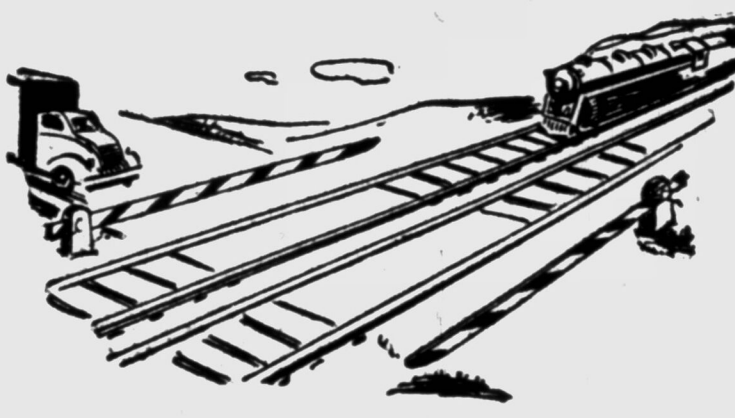

HE DIDN'T WAIT — A SURE WAY TO GET KILLED.

GATE - CRASHING IS OUT OF STYLE

Railroad crossing gates seem to hold a mysterious fascination for some folks. Motorists like to see if they can get across the tracks before the gates come down. Children like to crawl under 'em. Both are heedlessly *risking their lives* in so doing. Always stop as soon as you see the gate start to lower at a crossing. And if the gate tender keeps holding you up after the train has passed, *please* don't get angry. It's his job to look out for your safety — and when he delays you, you can be sure it's for safety's sake.

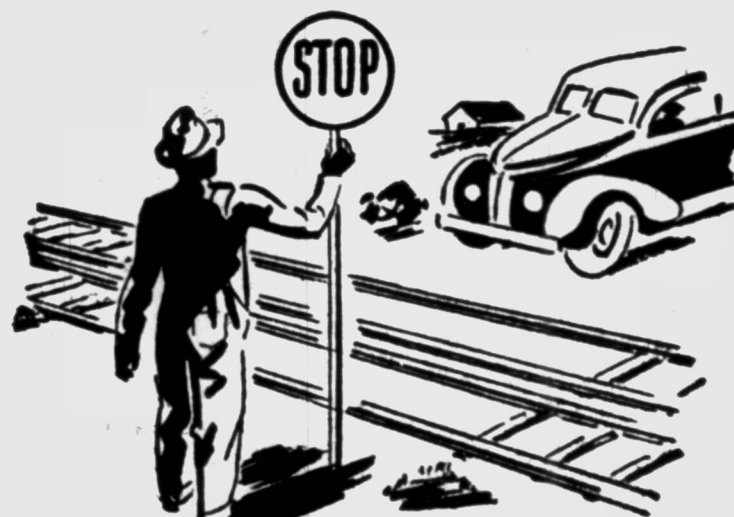

SOME CROSSINGS HAVE AUTOMATIC GATES.

"STOP" MEANS JUST THAT

When the crossing watchman displays a STOP sign (or a lighted red lantern at night) at a B and M grade crossing, it means STOP and stay STOPPED! Bring your car to a halt instantly — and don't start it moving again till the watchman has left the tracks. And incidentally, it's just plain damphoolhardiness to drive anywhere with brakes you can't trust. For safety's sake, have yours tested regularly.

THIS MAN'S JOB IS TO PROTECT — NOT TO ANNOY YOU.

SIGNS TO OBSERVE

There's only one way to deal with a railroad crossing sign. STOP. LOOK. LISTEN — and live. Don't think it's old-maidish to stop your car and look both ways before proceeding. Since when is it old-maidish to live longer? And don't ever make the mistake of feeling sure there can't be a train coming, because you "know the schedules cold." *Any time is train time at a railroad crossing today*, with war freights and troop trains highballing through on emergency schedules.

TIMELY TIPS TO MOTORISTS

The best brakes in the world will NOT stop an automobile on an icy or wet and slippery road if you approach a railroad crossing at 60 miles an hour. When you approach a railroad track, heed the advance warning sign beside the road and bring your car under complete control. You'll lose only a few seconds and you may save your life.

A very good rule for you to adopt, voluntarily, is what buses have to do by law. STOP before you cross any railroad track, whether gates or warning signals protect it. Then you may be sure you'll never get in front of a moving train.

And again we emphasize—WE REALLY HAVE MORE THAN ONE TRAIN. Almost any motorist will stop at a red light in a highway traffic signal and STAY STOPPED until the light turns green. ONE RULE TO ALWAYS REMEMBER AT A RAILROAD CROSSING IS — once the lights start flashing red, or the warning bell starts ringing, a train is coming. AND AS LONG AS THE LIGHTS ARE RED OR THE BELL KEEPS RINGING THERE IS ANOTHER TRAIN COMING.

We'd appreciate your insisting that the young folks in the family who drive your automobile read this advertisement carefully. And then make them tell you the lessons they should learn from it. Your children will live longer with this knowledge absorbed.

Thank you!

H. S. PUCKSTERS LOSE BY LAST MINUTE GOAL

Medford Wins Arena Game 1 to 0. Arlington Goalies Play Fine Game.

Arlington High's hockey team met last minute defeat last Saturday afternoon at the Arena when Medford's Paul Whelan put the puck into the net just before the close of the game. The play started from the head of the Greater Boston League, with Arlington in fifth place.

Arlington goalies, Ken Wells and Dick Hardin, had put up a brave fight all through the game, making miraculous saves for Arlington, since most of the play, dominated by Medford, was at the Arlington end.

The play started from a face-off, with Jerry Brennan gaining possession of the puck and snapping it to Charles McNair, who relayed it to Sullivan, who in turn sent it to Whelan directly in front of the Arlington net.

Just 15 seconds before the winning goal, Dick Hardin, who was marvelous in the Arlington nets in the second and third period, had made a spectacular save off Jerry Brennan who was in all alone. Medford, which was weakened by the absence of second line center Ted Falco, kept its first line on for practically the last five minutes and the strategy finally paid dividends.

The summary:

Medford (1)—G. Fougere; rd. Templeton; ld. Sullivan; c. McNair; rw. Whelan; lw. Brennan.

Arlington (0)—G. Wells, rd. McLeman; ld. Downing; c. Coveney; fw. MacCutcheon; lw. Sennott.

Medford alternates — Palladino, Renzie, De Biase.

Arlington alternates — Fife, Donahue, Collins, Reycroft, Hardin, Mason.

First period—No scoring. Penalties—Downing, illegal check; Downing, tripping; MacCutcheon, charging.

Second period—No scoring. Penalties—Sennott, high stick; Downing, tripping.

Third period—Medford, Whelan (Sullivan-Brennan-McNair), 9:59. Penalties—Downing, tripping; Donahue, tripping.

BOY SCOUT NEWS

Troop Seven

On last Sunday, after receiving Holy Communion at the seven o'clock mass in St. Agnes' Church, Troop Seven, Boy Scouts, assembled at nine o'clock for an all-day hike to the Middlesex Fells Reservation. Entering the reservation near the Lawrence Memorial Hospital, the troop proceeded, led by Senior Patrol Leader John Doherty and guided solely by white trail markers, until a suitable stopping place was reached. Some of the newer boys were wondering how a fire would be started, as all wood was snow-covered. However, the Junior Leaders showed the boys how to find the dead branches on standing trees. Warren Ryan and Richard Powers, members of the Troop Committee, rendered efficient service at the fire and the boys soon enjoyed as many hot dogs and cups of cocoa as they could safely hold. After everyone was satisfied, sides were chosen and a wild snowball fight raged among the trees between the "Blacks" and the "Blues". With an armistice declared, the camp area was policed, the utensils were home, with occasional sniping from various parts of the column.

Credit for the success of the hike goes to Mr. Ryan, Mr. Powers, Scoutmaster, George R. Wright, Bob Germain, Jim McMurrer and Jack Doherty. Troop Seven hopes to enjoy another such hike next month.

Troop Ten

At the combined Christmas and New Year's party given by Troop 10, Boy Scouts of America, last Friday, Troops 3 and 16 of the Girl Scouts of America and many Girl Scout Wings were present.

More than sixty young people were present at the party which was the first of its kind given by Troop 10. The entertainment was planned and the refreshments were prepared by the members acting as hosts. The general program was directed by Chester Johnson, junior assistant scoutmaster. Robert Patton was in charge of the refreshments and Robert Joyce of the entertainment. Movies were shown by the scoutmaster.

Troop 10 was especially pleased with the cooperation of the Girl Scout leaders, three of whom attended the party, and with the cooperation of the girls. Both the boys and the girls behaved exceedingly well and there was no real snowball fight. Future functions of a similar nature sponsored by both the Boy Scouts and Girl Scouts.

A SOLDIER'S PRAYER

Dear God, I kneel on ground so bare
To say to you this humble prayer;
A prayer for loved ones who are waiting,
They have a candle burning there.

Return us to our loved ones true,
Who long for us each day;
Who wait to see the skies turn blue,
And see the sun's bright ray.

I'm only one who stops tonight
To pray to you on High,
As I lie here and fight the fight,
To seek the peace for which men die.

Oh, Merciful Father, heed our call,
Send love and peace for loved ones all,
That we may see the shining light
Of the Dove of Peace in dauntless flight.

War Service Committee Catholic Woman's Club

Through the efforts of the War Service Committee of the Arlington Catholic Woman's Club, of which Mrs. John W. Deasy, vice president, is chairman, and Mrs. John J. McGrath, co-chairman, a great deal has been accomplished during the past few months. For many weeks this committee have met every Thursday afternoon to make by hand a cord type of rosary, which withstands all kinds of climatic conditions, for the service men in all parts of the world. On Christmas Day each boy or serviceman received a rosary, accompanied by a beautiful cheerful Christmas card reminding him that those at home had not forgotten him.

Judging from the compliments which are coming from the boys, they were delighted with the rosaries and cards. To continue their grand work it is necessary to raise funds and this will be done in the form of a mammoth bridge and whist party to be held on Saturday afternoon, January 13th at two o'clock in American Legion Hall. In addition to the card party, a cake and food sale will also be held. Donations of prizes, cakes, pies and food of all kinds will be greatly appreciated by the chairman and committee.

Defines Ambition of First Parish Church

Preaching at the Founders' Day

service Sunday morning at the

First Parish Church, Rev. John

Nicol Mark took as his topic,

"Ambition and Old Lace", which,

he said, should be the motto of

the church for the coming years.

Old lace was the heritage of

212 years of service; "ambition,"

he urged on his hearers to reach new goals of

usefulness and service, ambition

to make this nook and corner of

the universe a blessed part of

God's kingdom, ambition to

serve more effectively the spiri-

tual needs of the men and women

of the community."

Ask Civil Service To Permit Officer Nolan to Stay on Duty

continuance of his employment

for the duration of the war, as

was done in the case of Sgt. Ed-

win C. Jacobs, who was seventy

in May, 1943.

Patrolman Nolan was ap-

pointed a special police officer,

June 10, 1909, and a regular of-

ficer, July 1, 1913. He is rarely

absent because of sickness, is

very active for his age and ap-

pears to be in good health.

Holiday Happenings in The Universalist Church
Christmas began in the Universalist Church with the appearance of Santa Claus in the Kindergarten and Primary departments. Later in the week the rest of the church family gathered for an evening of song and merry-making. After carol singing, Mrs. John Pitko conducted a service of ingathering of Christmas stockings for the work in the Clara Barton Diabetic Camp. The Rev. Andrew Torsleff delighted young and old in the role of magician. Four prominent men of the parish loaned themselves as models in a make-up stunt. Sleigh bells announced the advent of Santa Claus with gifts for everyone. Refreshments were served.

On Christmas Sunday there was special music by Mrs. Ruth Rowley, soprano; Miss Charlotte Davies, cellist; and Miss Katharine Yerrinton, pianist. Two children were christened—Sandra Elaine Sharpe, daughter of Mr. and Mrs. John Mulholland and granddaughter of Mr. and Mrs. Ernest Llewellyn of Arlington. Deirdre's father is in the English navy now stationed in England.

At the New Year's service there was a dedication of new hymnals.

REV. BARBER RESIGNS

(Continued from Page 1)

edge of all these matters has been the determining factor in my continuance in the leadership of this Church.

"Miss Whitaker's will bequeathed the home and its contents on Russell street to certain relatives. Had Mrs. Luther survived her, she would have had life use of that homestead. A second provision of the will requested her Executor to purchase and place in the Church building two bronze tablets 'of good quality and suitably inscribed' in memory of her father and mother. In accordance with this desire there has been deposited by her Executor in the Memorial Trust Company, Arlington (Savings Department Book No. 8018), the sum of \$500, to fulfill her wishes when war time restrictions concerning bronze tablets shall have been removed.

Property Bequeathed to Mr. Barber for Church

"The remainder of her property was given and bequeathed to Reverend Laurence L. Barber of Arlington, as Trustee, for the benefit of the Orthodox Congregational Church. He was instructed to keep said residue safely invested and pay the income for the general expense of the Church. There was a further proviso that if a new Church edifice should hereafter be built, a portion of the fund could be voted by the Church toward the erection of such edifice, but it was her desire that a portion of the principal fund should be held intact, remaining as a family memorial. Her Executor-Trustee was given all necessary legal powers for carrying out both the Executorship and also the Trusteeship.

"Last August I completed my duties as Executor of the Estate (except for the erection of the memorial tablets above mentioned). As Trustee I have now set up the residuary amount of the Estate as the Josephine W. Whitaker Trust Fund. It totals \$42,380.47.

"The high confidence and trust in the judgment and capability of her Minister has been unexpected reward for his pastoral service in this Church. That which lay in Miss Whitaker's mind was never suspected until she informed me of her definite decision. Few pastors in their life-time are privileged to see such tangible results of their ministry and the realization of such hopes for their church fulfilled.

Has Seen Dream Come True

"This great bequest lays upon the Trustee and also upon the Church high responsibilities and large privileges. I realize fully that there is danger in a church having large endowment funds. I know also that there is great advantage to a church located in a changing town, such as ours, having a reasonable endowment which in times of depression and amid changing conditions can find in its certain assured income a very great help for its smooth ongoing and continuance. Years ago I decided that one of the greatest needs of this parish was an adequate endowment. I estimated that endowment need at not less than \$50,000. I have seen that dream come true."

In his resignation Mr. Barber said in part:

"It is more than fourteen years since, entirely unsolicited on my part, you invited me to become the pastor of this church. Words of mine cannot adequately express to you the happiness which we have mutually enjoyed during this long period. Yet, any church in the suburbs of a great city has various types of problems and needs. Each man can do some things well in ministering to such a church; each man necessarily has certain limita-

tions and shortcomings.

Indebtedness Paid

"When I assumed your pastorate there was a mortgage indebtedness of nearly \$10,000 and the invested funds of the Church were \$1,968. During the years that I have been your minister the entire indebtedness has been paid and all of our property is now unencumbered. Apart from the Whitaker Fund we have received in recent years five bequests or memorial gifts toward endowment which, together with our annual Easter Fund, now makes the total of the invested funds \$8,750. With the Whitaker Fund added the total funds for the benefit of the Church now amount to \$51,130.47. In other words, the net assets of our Church are more than \$61,000.00 greater than they were when I came to you in 1930. During this same period of time I have welcomed into the membership of the Church 501 persons. The total removals in membership by death and loss by transfer total 169, leaving the net gain in our membership 332.

"More significant than any of these achievements, however, has been a unity of spirit that during the years has made my ministry a constant privilege and joy.

"The roots of our relationships have gone down very deep. My ministry to many of you in bereavement, and in the other of life's deepest experiences, has made our relationships exceedingly tender and intimate. The town itself and our many interests here have grown very dear to both Mrs. Barber and to me. I speak a word of appreciation also for all that you have done to make both of us and our sons, through their maturing years, so happy both in Church and in our home life at the parsonage. The lines have fallen to us in a pleasant place."

"I have had occasion this last summer, because of my accident, to realize, as never before, how many and how good our friends both in the parish and in the larger community are. Evidences of their consideration and thoughtfulness have been numbing. The time has now come, however, when I consider it for the best interests both of Church and of Minister to ask that the pastoral relationship be dissolved in the near future."

Plans for Future

Mr. Barber was graduated from Yale University and held a pastorate in Green's Farms, Ct., from 1913 to 1918. He then assumed the pastorate of the Pilgrim Church in Nashua, N. H. He was there twelve years, until coming to Arlington in September, 1930. Mr. and Mrs. Barber have two sons in the service—Cpl. Laurence L. Barber, Jr., former instructor at Harvard, now serving on the French-German border, and Cpl. Clarence H. Barber, at present at Fort Lewis, Washington, with the 252nd Medical Unit as Chaplain's assistant.

When his resignation becomes effective, Mr. Barber plans to devote his time to lecturing, since his travelogues, illustrated with his own pictures, have become increasingly popular and his lectures in the church each season have drawn capacity audiences, and to taking interim pastorates

in churches temporarily without ministers.

While his parishioners heard his resignation with regret, both they and his other fellow citizens are glad that he and Mrs. Barber are planning to make their permanent home in Arlington. With that in view he has purchased a building lot on Monadnock road and when wartime building restrictions are removed will build a home there.

Mr. Barber is president of Arlington Historical Society, vice-president of the Bay State Historical League, and a member of many other societies, including the Lincoln Group of Boston, the Monday, Pilgrim and Winthrop Clubs. As a hobby his interest in clocks is well known, having served in the past as president of the Clock Club.
